

GAYLORD PARKING LOT LEGENDS

2026 Sponsor & Community Support Form
Northern Michigan Car Culture

Gaylord Parking Lot Legends is a growing Northern Michigan automotive community focused on bringing together enthusiasts through organized meets, cruise nights, photography, local businesses, and community events.

Community support greatly helps us continue organizing events while helping provide setup materials, banners, food, stickers, shirts, giveaways, photography, and future event growth throughout the 2026 season.

Sponsors may receive social media tags, logo placement on promotional graphics, inclusion on banners, shirts, stickers, event posts, and recognition throughout the season whenever possible. There are no sponsorship tiers or required amounts and every contribution helps support local car culture.
